

Sidhshwer Bansode

Software Engineer | MERN & Java Developer

2000sidhshwerbr@gmail.com | 9137570616 | Mumbai, India | [Portfolio](#) | [GitHub](#)

Summary

Motivated Full-Stack Developer skilled in MERN stack, Java & Spring Boot, seeking an opportunity to contribute to building scalable, secure, and high-performance applications. Good in problem-solving, teamwork, and delivering real-world projects from concept to deployment.

Education

- **SSC – National Sarvodaya high school, Mumbai – 2016 (81.60%)**
- **HSC (Science) – National Sarvodaya high school and junior college, Mumbai – 2018 (65.54%)**
- **B.E. Information Technology – A.C Patil College of Engineering, Navi Mumbai – 2022 (CGPI: 7.86)**

Technical Skills

- **Frontend:** HTML, CSS, Bootstrap, React.js
- **Backend:** Node.js, Express.js, Spring Boot
- **Databases:** MongoDB, MySQL
- **Programming:** Java, JavaScript
- **Version Control:** Git, GitHub

Projects

- [Sidban-Auth](#) – It implements secure login and registration flows, with support for Google OAuth and two-factor authentication using qr code and otp. (**React.js+ Spring-boot+ MongoDB**)
- [Sidban-Movies](#) – It is a movie streaming platform offering a dynamic and secure online movie-watching experience. (**MERN**)
- [Sidban-Chat](#) – It enables instant one-on-one communication with secure user authentication and a responsive design. (**MERN+Socket.io**)
- [Sidban-Portfolio](#) – Online personal portfolio showcasing skills, certifications, and projects. (**React.js**)

Certifications

- Google – [Technical Support Fundamentals](#) (Coursera)
- Duke University – [Programming Foundations with JS, HTML, CSS](#) (Coursera)
- University of Michigan – [Programming for Everybody \(Python\)](#) (Coursera)
- University of Michigan – [Python Data Structures](#) (Coursera)
- Google – [Bits and Bytes of Computer Networking](#) (Coursera)

Languages

- English
- Hindi
- Marathi
- Russian (learning)

Research & Achievements

- Published Research Paper: [“E-Authentication System using QR Code and OTP”](#) – IC-ICN Multicon-W 2022
- Active member of **NSS (National Service Scheme)** in college, contributing to community development and social service activities
- Participated in multiple **technical workshops & coding events**, enhancing teamwork and problem-solving skills
